

HS830 Connection Notes

Document Part #65374R0

1. Perform an initial charge on the HS830.
2. Turn "ON" the HS830 and pair it to the phone.
3. Turn on bike power.
4. Connect the HS830 to the Kennedy harness
5. Turn the bike off. The HS830 turns "OFF", starts charging and disconnects from the phone.
6. Turn the bike "ON". The HS830 charging light turns off.
7. Hold the HS830's big button down for 3 seconds (until its light blinks). The HS830 is now on.
8. The phone should automatically link to the HS830
